

SD1 Plan Submission / Exemption Request Form

Check a box below to indicate what SD1 class best represents the FSE.

- Class 1 Class 2 Class 3 Class 4 Class 5

Check a box below to indicate what the FSE is requesting.

- I am installing the GCE design, which is specified, based on FSE class within the SD1 FOG Management Policy.
- I am requesting permission to install an Alternate GCE Design(s) from that, which is specified, based on FSE class, within the SD1 FOG Management Policy.
- Alternate Design Requests will only be considered if the Alternate GCE Request meets all criteria stated within the SD1 FOG Management Policy.
- I am requesting an exemption from the requirement to install any form of GCE.
- Per SD1 FOG Management Policy, Exemption Requests will only be approved for Single Service Kitchens with no onsite food preparation (heat and serve only) and which use only disposable dishes and service ware (utensils).

Section E – Authorized Representative Statement

I certify under penalty of law that this document and all attachments were prepared under my direction or supervision in accordance with a system designed to assure that qualified personnel properly gather and evaluate the information submitted. Based on my inquiry of the person or persons who manage the system, or those persons directly responsible for gathering the information, the information submitted is, to the best of my knowledge and belief, true, accurate, and complete. I am aware that there are significant penalties for submitting false information, including the possibility of a fine.

I am aware that an SD1 Inspector will inspect the GCE, as well as, all fixtures used in the calculation of final GCE design before Final Acceptance will be granted. Keep in mind, any discrepancies between what was approved by SD1 Plan Review and what is discovered on-site by SD1 Inspection Group must be rectified before SD1 Final Acceptance will be granted.
