

Attention Customers: Convenience fees apply to some payment options

Customers who pay their SD1 bill by credit or debit card will pay a \$2.65 convenience fee per transaction. The same fee will apply to one-time e-check payments made over the phone and online. This is a pass-through fee that is charged by and goes directly to Paymentus, SD1's third-party vendor. Reference the chart below to learn which payment options include a fee and which ones are fee free.
