Address:		City/ST/Zip:	
Telephone:		Fax:	
Email:			

KYR10 Notice of Intent (NOI) submitted to KDOW:	Yes or No
If yes, list the date it was submitted: Please submit a copy to SD1	

On-site person responsible for compliance with KYR10 permit:

Contact person:		Company (if applicable):	
Address:		City/ST/Zip:	
Telephone/cell phone:		Fax:	
Email:			
List qualifications below:	<ul style="list-style-type: none"> • Certifications or license held with corresponding number • Name of major training class/classes completed 		

Checklist:

This checklist gives the minimum requirements needed for SD1 review. All items shall be checked as included or marked as N/A. If an item is marked as N/A, provide an explanation in the "Comments" section below.

	Project information
	Location map
	Property boundary and adjacent property owners
	Clearing limits
	Clearing plan (with scale not smaller than 1 inch equals 100 feet)
	Location and identification of any drainage facility or natural feature on the site or within 100 feet of the project boundary that has or could have an impact on drainage or sediment control
	Existing utilities, sewers and storm drainage structures and facilities
	Adjoining storm drainage structures and facilities to show continuity in the overall storm water drainage system, if this project is one phase of a multi-phase development
	Proposed easements
	Erosion prevention and sediment control plan
	Location, details, and standard drawings for BMPs. All BMPs shall be numbered for identification and reference purposes. (i.e. stabilized construction entrances, perimeter controls, inlet and outlet protection for storm sewers and culverts, stream crossings)
	Electronic copy of plan set
	Copy of KYR10 NOI

Required Fees (Compute on the right)	Clearing Permit Application	\$301.00	
	Erosion and Sediment Control Inspection Not to exceed \$1,102.00 per permit application <i>Total number of acre(s) = _____.</i>	\$108.00/acre	
	Total Amount =		

Certifications: The following certifications are required.

<p>Owner/Person Financially Responsible Certification: "I hereby certify that all land disturbing construction and associated activity pertaining to this permit application shall be accomplished pursuant to the approved plans. The information submitted with the application is, to the best of my knowledge and belief, true, accurate, and complete."</p> <p>Printed name of owner/person financially responsible: _____</p> <p>Signature: _____ Date: _____</p>	
<p>Right of Entry Certification for Inspection: "I hereby grant authorization to SD1 and/or other designated representatives the right of access to the site at all times for the purpose of site inspections during the period of construction and to perform maintenance inspections following the completion of the land disturbing activity."</p> <p>Printed name of owner/person financially responsible: _____</p> <p>Signature: _____ Date: _____</p>	
<p>Designer Certification: "I hereby certify to the best of my knowledge and belief that the measures in this plan are designed to control erosion, retain sediment on the site, and manage storm water in a manner that is in compliance with the requirements contained in the SD1 rules and regulations."</p> <p>Printed name of engineer: _____</p> <p>Kentucky PE number: _____</p> <p>Date: _____</p>	<p>(Stamp and signature)</p>

Submittal Requirements:

Initial Submittal:

Storm Sewer: One (1) plan set (if required) and an electronic PDF version *

When submitting for both a storm water permit and a sanitary sewer approval associated with the same project, only one (1) submittal which includes both sanitary and storm water aspects along with supporting calculations shall be submitted for the initial review.

****Typical review times: 1-2 weeks via electronic PDF submittal only, 3-4 weeks via hard copy plan set submittal***

Upon Approval Submittal:

Storm Sewer: One (1) conformed plan sets, an electronic PDF version and a Geodatabase or shape file in the following coordinate system:

NAD_1983_HARN_StatePlane_Kentucky_North_FIPS_1601_Feet
WKID: 2891
