

Request For Reservation Of Sanitary Sewer Capacity

Note: The application form and supporting documentation must be completed in its entirety and submitted to **Sanitation District No. 1, per Article 6, Section 602 of the Sanitary Sewer Rules and Regulations**. If applicant is requesting a reservation based on a Priority by Need as set out in Article 6, Section 602 of the Rules and Regulations, applicant must attach additional information to substantiate the need pursuant to the Regulations. The omission of required items may be cause for rejection of the submittal without review.

Development Name:			
Project Address and/or PIDN:			
Developer:		Contact Person:	
Address:			
Telephone:		E-mail:	
Engineer or Architect:		Contact Person:	
Address:			
Telephone:		E-mail:	
Has capacity been requested or reserved for any previous phases? <input type="checkbox"/> Yes <input type="checkbox"/> No	If Yes, Describe:		
Residential/Multifamily-Total Area of Project Site (Acres):		Commercial/Industrial- Total Building Footprint (Square Foot):	
Multi-family/Commercial/Industrial- Total number of service laterals:		Use attached worksheet to Estimate Total Average Daily Flow (gpd):	
Build-out Schedule			
Year	Number of Units	Total Flow Requested (gpd)	
(1)			
(2)			
(3)			
(4)			
(5)			
Owner must submit a site plan showing proposed sewer and tie-in locations with application			
Certification: Owner/Person Financially Responsible: I hereby request the reservation of capacity for the above project. I hereby certify that all the information provided above is true and accurate to the best of my knowledge. Printed Name of Owner/Person Financially Responsible: _____ Signature: _____ Date: _____			

Person submitting this application: _____ Date _____

Please submit to Andy Aman at aaman@sd1.org
